Additional Practice Packs For Pre-AP Skills Surveys

Step 1
Go to the Student Reports tab and open the Diagnostics Report.

Step 2
Select "View Report" for the Pre-AP Skills Survey from which you'd like to assign additional practice.

Step 3
Select "Recommendations" on the reports page.
Step 4
From the recommendations page, select "View Pack" under a pack name.

Step 5
Scroll down to the "What if my students need more practice?" section and select the hyperlink for the additional practice pack.

Step 6
Browse and assign additional practice by clicking the "select pack" button in the upper righthand corner.
