What additional services can I purchase for my school?

We offer additional a la carte services to support your team with pedagogically sound implementation of Quill. We also provide tailored reporting as requested. Reach out to us to request a quote for customized professional development workshops, coaching sessions, and individualized reports.

How does my school get started?

Quill provides a one year site license that covers all of the teachers and students at one school. The license fee is \$1800 per year. **For a limited time, we are offering a 50% discount for first-year school subscribers for a total cost of \$900 per school.** You can contact us to start the purchasing process. If you are interested in District-level pricing, please contact our Outreach Lead, Maddy Maher at maddy@quill.org.

What does Quill Premium for Teachers provide?

With Quill Teacher Premium, you will have access to all of Quill's free reports as well as additional advanced reporting. You will also be able to view and print reports of your students' progress. Our advanced reports support concept, Common Core, and overall progress analysis.
